It's @ The Annex

The Annex has played a key role in Concord's history, being the original location of Concord's city hall. This building has recently undergone an extensive renovation, guaranteeing its role for future generations.

The building features everything new, from windows to doors, electrical to HVAC. The HVAC system features in-duct air purifiers, providing state-of-the-art air quality.

As impressive as the renovation is, the location is even more impressive. The Annex is next door to the 614-car county parking deck and directly across the street from the recently renovated and expanded courthouse. Three new apartment complexes are also within walking distance of the Annex!

Plus, an exciting new streetscape project will provide outdoor opportunities at no additional cost! The sidewalks will be 22' wide on Union and also offer an outdoor space on Barbrick. They will feature landscaping, art, electronic kiosks, coordinated lighting and sound systems, and more!
